## 30th Annual Trade Show

2010 marks a memorable anniversary for our largest event of the year, the Lacombe & District Trade Show. In 2010 we are Going Green and turning 30! If you or someone you know has a memory of the Trade Show and how it started, how it's changed and what has improved over the years, please let us know. This year, we are looking to celebrate where the Trade Show started in 1980 and how it has progressed to the Green event of 2010.

Also—if you have photos over the various years that you'd be willing to let us use for our website, please send those to [ashley@lacombechamber.ca](mailto:ashley@lacombechamber.ca) with a brief caption and the year. Thank you for sharing your memories of our exciting event!

Please take a moment to fill these out and send them back to the Chamber office. We appreciate all the feedback and will utilize the forms to better serve you!

**Featured Member benefit:** Access to \$2500 in scholarship funding for graduating students. Contact the Chamber for further details.

In January there were **201** general inquiries at the Chamber Office in regards to Lacombe and District. Of these, **51** were promotion of Chamber Members!
